## **Swisslog Healthcare Donates to Assist Marshall Fire Relief Efforts**

**Broomfield, CO (January 12, 2021)** --- The Marshall Fire is estimated to have destroyed over 1,000 residential structures and dozens of commercial structures in Boulder County, Colorado last week. Headquartered in Broomfield, CO, [Swisslog Healthcare](#), a leading supplier in healthcare technology combining pharmacy and transport automation, has stepped up in order to help the nearby community by donating money and seeking volunteer opportunities to help people who have been impacted by the fires.

Swisslog Healthcare donated \$5,000 to the [Boulder County Wildfire Fund](#). The fund was established by the [Community Foundation serving Boulder County](#) and is distributing \$5M in financial assistance to those whose homes have been destroyed or damaged and an additional \$500,000 to support the needs of evacuees.

“For us all, and for me as a Colorado resident, it is devastating to hear from people who have been displaced due to the recent fires. I am proud to represent a company that values the Colorado community in both good and bad times.” Amanda Costanzi, VP of Communications for Swisslog Healthcare. “We are grateful to report that while some employees did have to evacuate, none of our employees have lost their homes in this crisis. Now it’s time to reach out and support the larger community to provide some relief.”

### **About Swisslog Healthcare**

Swisslog Healthcare is a leading provider of healthcare solutions, including hardware, software, and services. Delivering transport and pharmacy automation supports medication management for hospitals, pharmacies, and healthcare institutions.
